A young cowboy from Wyoming goes off to college, but half way through the semester, he has foolishly squandered all his money. He calls home. "Dad," he says, "You won't believe what modern education is developing! They actually have a program here in Laramie that will teach our dog, ol' Blue how to talk!"

"That's amazing," his Dad says. "How do I get Ol' Blue in that program?"

"Just send him down here with \$1,000" the young cowboy says. "I'll get him in the course." So, his father sends the dog and \$1,000.

About two-thirds through the semester, the money again runs out. The boy calls home.

"So how's Ol' Blue doing, son," his father asks.

"Awesome, Dad, he's talking up a storm," he says, "but you just won't believe this they've had such good results they have started to teach the animals how to read!"

"Read!" says his father, "No kidding! How do we get Blue in that program?"

"Just send \$2,500, I'll get him in the class." The money promptly arrives.

But our hero has a problem. At the end of the year, his father will find out the dog can neither talk, nor read. So he shoots the dog.

When he arrives home at the end of the year, his father is all excited.

"Where's Ol' Blue? I just can't wait to see him read something and talk!"

"Dad," the boy says, "I have some grim news. Yesterday morning, just before we left to drive home, Ol' Blue was in the living room, kicked back in the recliner, reading the Wall Street Journal, like he usually does. Then he turned to me and asked, 'So, is your daddy still messing' around with that little redhead who lives in town?'"

The father exclaimed, "I hope you shot that son of a bitch before he talks to your Mother!"

I sure did, Dad!"

"That's my boy!"

The kid went on to be a successful lawyer

LIFE IN A MENTAL HOSPITAL

A nurse walks into a room and sees a patient pretending he's driving a truck, with his hands at 10 to 2. The nurse asks him, "Maxie! What are you doing?"

Maxie replies, "Can't talk right now, I'm driving to Melbourne!" The nurse wishes him a good trip and leaves the room.

The next day the nurse enters Maxie's room just as he stops driving his imaginary truck and she asks, "Well Maxie, how was your trip?"

Maxie says, "I'm exhausted, I just got into Melbourne and I need some rest."

"That's great," replied the nurse, "I'm glad you had a safe trip."

The nurse leaves Maxie's room, and then goes across the hall into another patients' room and finds Davo sitting on his bed, masturbating vigorously.

Shocked, she shouts, "Davo what are you doing?" To which Davo replies, "Shhh, I'm shagging Maxie's wife while he's in Melbourne."

Depression & Outsourcing

I was depressed last night so I called Lifeline.

I got a call center in Pakistan.

I told them I was suicidal.

They got all excited and asked if I could drive a truck :blink:

While walking through Golden Gate Park in San Francisco, a man came upon another man hugging a tree with his ear firmly against the tree. Seeing this he inquired, "Just out of curiosity, what the heck are you doing?"

"I'm listening to the music of the tree," the other man replied.

"You've gotta be kiddin' me."

"No, would you like to give it a try?"

Understandably curious, the man says, "Well, OK..." So he wrapped his arms around the tree and pressed his ear up against it. With this, the other guy slapped a pair of handcuffs on him, took his wallet, jewelry, car keys, then stripped him naked and left.

Two hours later another nature lover strolled by, saw this guy handcuffed to the tree stark naked, and asked, "What the heck happened to you?"

He told the guy the whole terrible story about how he got there.

When he finished telling his story, the other guy shook his head in sympathy, walked around behind him, kissed him gently behind the ear and said, "This just ain't gonna be your day, cupcake..."

Two aliens landed in the Arizona desert near a gas station that was closed for the night. They approached one of the gas pumps and the younger alien addressed it saying,

"Greetings, Earthling. We come in peace. Take us to your leader."

The gas pump, of course, didn't respond.

The younger alien became angry at the lack of response.

The older alien said, "I'd calm down if I were you."

The younger alien ignored the warning and repeated his greeting. Again, there was no response.

Annoyed by what he perceived to be the pump's haughty attitude, he drew his ray gun and said impatiently, "Greetings, Earthling. We come in peace. Do not ignore us this way! Take us to your leader or I will fire!"

The older alien again warned his comrade saying, "You probably don't want to do that! I really don't think you should make him mad."

"Rubbish," replied the cocky, young alien. He aimed his weapon at the pump and opened fire. There was a huge explosion. A massive fireball roared towards them and blew the younger alien off his feet and deposited him a burnt, smoking mess about 200 yards away in a cactus patch.

Half an hour passed. When he finally regained consciousness, he refocused his three eyes, straightened his bent antenna, and looked dazedly at the older, wiser alien who was standing over him shaking his big, green head.

"What a ferocious creature!" exclaimed the young, fried alien. "He damn near killed me! How did you know he was so dangerous?"

The older alien leaned over, placed a friendly feeler on his crispy friend and replied, "If there's one thing I've learned during my intergalactic travels, you don't want to mess with a guy who can wrap his p#nis around himself twice and then stick it in his ear."

A Doctor in Dublin wanted to get off work and go fishing, so he approached his assistant. 'Murphy, I am going hunting tomorrow and I don't want to close the clinic. So I want you to take care of the clinic and take care of all me patients'.

'Yes, sir!' answers Murphy.

The doctor goes fishing and returns the following day and asks: 'So, Murphy, how was your day?'

Murphy told him that he took care of three patients.

'The first one had a headache so he did, so I gave him Paracetamol.

'Bravo Murphy lad, and the second one?' asks the doctor.

'The second one had indigestion and I gave him Gaviscon, so I did sir' says Murphy.

'Bravo, bravo! You're good at this and what about the third one?' asks the doctor.

'Sir, I was sitting here and suddenly the door flies open and a young gorgeous woman borsts in so she does. Like a bolt outta the blue, she tears off her clothes, taking off everyting including her bra and her panties and lies down on the table, spreading her legs and shouts: 'HELP ME for the love of St Patrick! For five years I have not seen any man!''

Tunderin' lard Jesus Murphy, what did you do?' asks the doctor.

'I put drops in her eyes.'

A car gets a flat on the interstate one day.

The blonde driver eases it over onto the shoulder of the road, carefully steps out of the car and opens the trunk.

She takes out two cardboard men, unfolds them and stands them at the rear of the vehicle facing on coming traffic.

The lifelike cardboard men are in trench coats exposing their nude bodies and private parts to approaching drivers.

Not surprisingly, the traffic becomes snarled and backed up.

It isn't very long before a police car arrives.

The officer, clearly enraged, approaches the blonde of the disabled vehicle yelling, 'What's going on here?'

'My car broke down, officer' says the woman calmly.

'Well, what the hell are these obscene cardboard pictures doing here by the road?' he asks.

'Helllooooooo!! !!' says the blonde.

'Those are my emergency flashers!!!'
